- (c) Deviations. The Board may deviate from the procedures set forth if in its sole discretion such deviation is reasonable under the circumstances.
- (d) Amendment. The following policies may be amended from time to time by the Board of Directors.

1. INVESTMENT OF RESERVE POLICY

1. Scope. In order to properly maintain areas in the Community that are the responsibility of the Association, to comply with state statutes, to manage reserve funds, and to protect the market value of Owners' homes and livability in the Community, the Board of Directors determines that it is necessary to have policies and procedures for the investment of reserve funds.

2. Purpose of the Reserve Fund. The purpose of the Reserve Fund shall be to responsibly fund and finance the projected repair and replacement of those portions of the Community that the Association is responsible for and for such other funding as the Board of Directors may determine. The portions of the Community that the Association is responsible for typically have limited but reasonably predictable useful lives.

3. Investment of Reserves. The Board of Directors of the Association shall invest funds held in the Reserve Funds accounts to generate revenue that will accrue to the Reserve Funds accounts balance while minimizing risks and maximizing return rates given the following goals, criteria and policies:

- (a) Safety of Principal. Promote and ensure the preservation of the Reserve Fund's principal while minimizing risk.
- (b) Liquidity and Accessibility. Structure maturities to ensure availability of assets for projected or unexpected expenditures.
- (c) Minimal Costs. Minimize investments costs (redemption fees, commissions, and other transactional costs).
- (d) Diversify. Mitigate the effects of interest rate volatility upon reserve assets.
- (e) Return. Invest funds to seek a reasonable rate of return.

4. Limitation on Investments. Unless otherwise approved by the Board, all investments will be FDIC (Federal Deposit Insurance Corporation) insured and/or guaranteed by the United States Government.

5. Investment Strategy. The investment strategy of the Association should emphasize a long-term outlook by diversifying the maturity dates of fixed-income instruments within the portfolio utilizing a laddered investment approach.

6. Independent Professional Investment Assistance. The Board of Directors of the Association may hire a qualified investment counselor to assist in formulating a specific investment strategy.

7. Review and Control. The Board shall review Reserve Fund investments periodically to ensure that the funds are receiving competitive yields and shall make prudent adjustments as needed.

8. Standard of Care. The officers and members of the Board of Directors shall make investment decisions in good faith, with the care an ordinarily prudent person in a like position

would exercise under similar circumstances, and in a manner the Director or officer reasonably believes to be in the best interests of the Association in accordance with the Colorado Revised Nonprofit Corporation Act.

### 3. COVENANT AND RULE ENFORCEMENT

1. Reporting Violations. Complaints regarding alleged violations may be reported by an Owner or resident within the community, a group of Owners or residents, the Association's management company, if any, Board member(s) or committee member(s) by submission of a written complaint.

2. Complaints.

(a) Complaints by Owners or residents shall be in writing and submitted to the Board of Directors. The complaining Owner or resident shall have observed the alleged violation and shall identify the complainant ("Complainant"), the alleged violator ("Violator"), if known, and set forth a statement describing the alleged violation, referencing the specific provisions which are alleged to have been violated, when the violation was observed and any other pertinent information. Non-written complaints or written complaints failing to include any information required by this provision may not be investigated or prosecuted at the discretion of the Association.

(b) Complaints by a member of the Board of Directors, a committee member, or the manager, if any, may be made in writing or by any other means deemed appropriate by the Board if such violation was observed by the Director or Manager.

3. Investigation. Upon receipt of a complaint by the Association, if additional information is needed, the complaint may be returned to the Complainant or may be investigated further by a Board designated individual or committee. The Board shall have sole discretion in appointing an individual or committee to investigate the matter.

4. Initial Warning Letter. If a violation is found to exist, an initial warning letter shall be sent to the Violator explaining the nature of the violation. The Violator will have 10 days from the date of the letter to come into compliance. The foregoing procedure will not be used, however, in the event the violation is determined by the Board to be a Repetitious Violation as defined below. In such event, the procedure outlined below shall be followed.

5. Continued Violation After Initial Warning Letter. If the alleged Violator does not come into compliance within 10 days of the initial warning letter, this will be considered a second violation for which a fine may be imposed following notice and opportunity for a hearing. A second and subsequent letter(s) shall then be sent to the alleged Violator,

providing notice and an opportunity for a hearing, and explaining if a violation is found to exist, a fine may be imposed pursuant to this Policy. The letter(s) shall further state that the alleged Violator is entitled to a hearing on the merits of the matter provided that such hearing is requested in writing within 10 days of the date on the violation letter. The foregoing procedure will not be used, however, in the event the violation is determined by the Board to be a Repetitious Violation as defined below. In such event, the procedure outlined below shall be followed.

6. Notice of Hearing. If a hearing is requested by the alleged Violator, the Board, committee or other person conducting such hearing as may be determined in the sole discretion of the Board, may serve a written notice of the hearing to all parties involved at least 10 days prior to the hearing date.

7. Impartial Decision Maker. Pursuant to Colorado law, the alleged Violator has the right to be heard before an "Impartial Decision Maker". An Impartial Decision Maker is defined under Colorado law as "a person or group of persons who have the authority to make a decision regarding the enforcement of the association's covenants, conditions, and restrictions, including architectural requirements, and other rules and regulations of the association and do not have any direct personal or financial interest in the outcome. A decision maker shall not be deemed to have a direct personal or financial interest in the outcome if the decision maker will not, as a result of the outcome, receive any greater benefit or detriment than will the general membership of the association." Unless otherwise disqualified pursuant to the definition of Impartial Decision Maker, the Board may appoint to act as the Impartial Decision Maker the entire Board, specified members of the Board, any other individual or group of individuals.

8. Hearing. At the beginning of each hearing, the presiding officer, shall introduce the case by describing the alleged violation and the procedure to be followed during the hearing. Each party or designated representative, may, but is not required to, make an opening statement, present evidence and testimony, present witnesses, and make a closing statement. The presiding officer may also impose such other rules of conduct as may be appropriate under the given circumstances. Neither the Complainant nor the alleged Violator are required to be in attendance at the hearing. The Impartial Decision Maker shall base its decision solely on the matters set forth in the Complaint, results of the investigation and such other credible evidence as may be presented at the hearing. Unless otherwise determined by the Board, all hearings shall be open to attendance by all Owners. After all testimony and other evidence has been presented at a hearing, the Impartial Decision Maker shall, within a reasonable time, not to exceed 10 days, render its written findings and

decision, and impose a fine, if applicable. Failure to strictly follow the hearing procedures set forth above shall not constitute grounds for appeal of the hearing committee's decision absent a showing of denial of due process.

9. Failure to Timely Request Hearing. If the alleged Violator fails to request a hearing within 10 days of any letter, or fails to appear at any hearing, the Impartial Decision Maker may make a decision with respect to the alleged violation based on the Complaint, results of the investigation, and any other available information without the necessity of holding a formal hearing. If a violation is found to exist, the alleged Violator may be assessed a fine pursuant to these policies and procedures.

10. Notification of Decision. The decision of the Impartial Decision Maker shall be in writing and provided to the Violator and Complainant within 10 days of the hearing, or if no hearing is requested, within 10 days of the final decision.

11. Fine Schedule. The following fine schedule has been adopted for all recurring covenant violations:

First violation	Warning letter
Second violation	\$50.00
Third violation	\$100.00
Fourth violation	\$200.00

Police Responses:

In the event the Police are called to a Unit for the purposes of disbursing fights, parties, noise, or other violence, the Association, may levy a fine in the amount of \$500.00 for each and every occurrence, including on the first time, after notice and an opportunity for a hearing.

Fifth and subsequent covenant violations may be turned over to the Association's attorney to take appropriate legal action.

12. Repetitious Violations. Repetitious Violations are defined as a series of identical or substantially similar individual violations that occur repeatedly or continuously within a period of time to be determined in the discretion of the Board, with each individual violation separated by a period of no less than 1 day, nor more than 90 days, the result of which is a pattern of violations of the same covenant restriction. In the event of such Repetitious Violation, in the discretion of the Board, each instance of

noncompliance may constitute a separate violation, and the Board shall not be required to provide a period of 10 days from each violation for the alleged Violator to come into compliance. A warning letter shall be sent for the first violation in the series. After the warning letter, the Board may cause violation notices to be sent for each violation in the series stating the amount of the fine to be imposed (pursuant to the Fine Schedule above), and giving notice and an opportunity for a hearing. The Board shall individually consider each violation for which a hearing is requested, but is permitted to combine any and all hearings requested for Repetitious Violations on one date.

Examples of Repetitious Violations include, but are not limited to repeatedly or continually parking a restricted recreational vehicle in the community, repeated failure to remove and store a portable basketball hoop, and failure to remove excessive weeds growing on a lot. In each one of these examples, the Owner will receive a warning letter on the first instance of the violation. On the second and subsequent instances of the violation, the owner will receive a fine letter which fine shall be determined by the Board of Directors and notice and opportunity for a hearing. If hearings are requested, the Board may set them all on the same date.

13. Waiver of Fines. The Board may waive all, or any portion, of the fines if, in its sole discretion, such waiver is appropriate under the circumstances. Additionally, the Board may condition waiver of the entire fine, or any portion thereof, upon the Violator coming into and staying in compliance with the Articles, Declaration, Bylaws or Rules.

14. Other Enforcement Means. This fine schedule and enforcement process is adopted in addition to all other enforcement means which are available to the Association through its Declaration, Bylaws, Articles of Incorporation and Colorado law. The use of this process does not preclude the Association from using any other enforcement means.

- (iii) **Board Action Without a Meeting.**
  - (1) The directors shall have the right to take any action in the absence of a meeting which they could take at a meeting if each and every director in writing ("Written Vote(s)") either:
    - (a) Votes for such actions; or
    - (b) Votes against such action or abstains from voting and waives the right to demand that a meeting be held.
  - (2) Action under this section is valid only if the affirmative vote for such action equals or exceeds the minimum number of votes that would be necessary to take such action at a meeting at which all of the directors then in office were present and voted. For any action taken under this section to be effective the Association must receive the Written Votes described in subsections (a) and (b) signed and not revoked. Written Votes may be received by the Association by facsimile. A director may revoke such director's Written Vote by a writing signed and dated describing the action and stating that the director's prior vote is revoked ("Revocation") if such Revocation is received by the Association before the last Written Vote necessary to effect the action is received by the Association. The Association shall keep the Written Votes and any Revocations with the minutes of the meetings of the Board of Directors.
- (iv) **Executive Sessions.** The members of the Board may hold a closed door, executive session and may restrict attendance to Board members and such other persons requested by the Board during a regular or specially announced meeting for discussion of the following:

- (2) Consultation with legal counsel concerning disputes that are the subject of pending or imminent court proceedings or matters that are privileged or confidential between attorney and client;
- (3) Investigative proceedings concerning possible or actual criminal misconduct;
- (4) Any matter the disclosure of which would constitute an unwarranted invasion of individual privacy;
- (5) Review of or discussion relating to any written or oral communication from legal counsel; and
- (6) Matters subject to specific constitutional, statutory, or judicially imposed requirements protecting particular proceedings or matters from public disclosure.

Prior to holding a closed door session, the President of the Board, or other person designated to preside over the meeting, shall announce the general matter of discussion as stated above.

No rule or regulation shall be adopted during a closed session. A rule or regulation may be validly adopted only during a regular or special meeting or after the Board goes back into regular session following a closed session.

The minutes of all meetings at which an executive session was held shall indicate that an executive session was held and the general subject matter of the executive session. Minutes of executive sessions may be kept but are not subject to disclosure pursuant to the Association's policy regarding inspection of records.

## 6. COLLECTION OF UNPAID ASSESSMENTS

A. It is in the best interest of the Association to refer delinquent accounts promptly to an attorney for collection so as to minimize the Association's loss of assessment revenue. The Board of Directors has retained an attorney with experience in representing homeowner associations in collections and other matters. The Association hereby gives notice of its adoption of the following policies and procedures for the collection of assessments and other charges of the Association:

1. Due Dates. The monthly installments of the annual assessment as determined by the Association and as allowed for in the Declaration shall

be due and payable on the first day of each month. Assessments or other charges not paid in full to the Association one or before the due date shall be considered past due and delinquent. Assessments or other charges not paid in full to the Association within 20 days of the due date shall incur late fees and interest as provided below. In the event notice of acceleration is given to delinquent Owner(s), the Owner(s) of the unit shall also be charged any costs incurred by the Association in giving notice of such acceleration.

2. Receipt Date. The Association shall post payments on the day that the payment is received in the Association's office.
3. Late Charges on Delinquent Installments. The Association shall impose on a monthly basis a \$25.00 late charge for each Owner who fails to timely pay his/her monthly installment of the annual assessment within 20 days of the due date. This late charge shall be a "common expense" for each delinquent Owner. The Association may impose interest from the date due at the rate of 12% per annum on the amount owed for each Owner who fails to timely pay their monthly installment of the annual assessment within 20 days of the due date.
4. Personal Obligation For Late Charges. The late charge shall be the personal obligation of the Owner(s) of the unit for which such assessment or installment is unpaid. All late charges shall be due and payable immediately, without notice, in the manner provided by the Declaration (and as set forth herein) for payment of assessments.
5. Return Check Charges. In addition to any and all charges imposed under the Declaration, Articles of Incorporation and Bylaws, the Rules and Regulations of the Association or this Resolution, a \$20.00 fee or other amount deemed appropriate by the Board of Directors shall be assessed against an Owner in the event any check or other instrument attributable to or payable for the benefit of such Owner is not honored by the bank or is returned by the bank for any reason whatsoever, including but not limited to insufficient funds. This returned check charge shall be a "common expense" for each Owner who tenders payment by check or other instrument which is not honored by the bank upon which it is drawn. Such return check charge shall be due and payable immediately, upon demand. Notwithstanding this provision, the Association shall be entitled to all additional remedies as may be provided by applicable law. Returned check charges shall be the obligation of the Owner(s) of the unit for which payment was tendered to the Association. Returned check charges shall become effective on any instrument tendered to the Association for payment of sums due under the Declaration, Articles, Bylaws, Rules and Regulations or this Resolution after the date adopted as shown above. If two or more of an Owner's checks are returned unpaid by the bank within

any (fiscal) year, the Association may require that all of the Owner's future payments, for a period of one (1) year, be made by certified check or money order. This return check charge shall be in addition to any late fees or interest incurred by an Owner. Any returned check shall cause an account to be past due if full payment of the monthly installment of the annual assessment is not timely paid within 20 days of the due date.

1. Service Fees. In the event the Association incurs any type of service fee, regardless of what it is called by its management company, for the handling and processing of delinquent accounts on a per account basis, such fees will be the responsibility of the Owner as such fee would not be incurred but for the delinquency of the Owner.
  
2. Attorney Fees on Delinquent Accounts. As an additional expense permitted under the Declaration and by Colorado law, the Association shall be entitled to recover its reasonable attorney fees and collection costs incurred in the collection of assessments or other charges due the Association from a delinquent Owner. The reasonable attorney fees incurred by the Association shall be due and payable immediately when incurred, upon demand.
  
3. Application of Payments. All sums collected on a delinquent account that has been turned over to the Association's attorney shall be remitted to the Association's attorney until the account is brought current. All payments received on account of any Owner or the Owner's property (hereinafter collectively "Owner"), shall be applied to payment of any and all legal fees and costs (including attorney fees), expenses of enforcement and collection, late charges, returned check charges, lien fees, and other costs owing or incurred with respect to such Owner pursuant to the Declaration, Articles, Bylaws, Rules and Regulations, or this Resolution, prior to application of the payment to any special or regular assessments due or to become due with respect to such Owner.
  
4. Collection Process.
  - (a) After an installment of an annual assessment or other charges due to the Association becomes more than 30 days delinquent, the Managing Agent shall send a written notice ("First Notice") of non-payment, amount past due, notice that interest and late fees have accrued and request for immediate payment.
  
  - (b) After an installment of an annual assessment or other charges due to the Association becomes more than 60 days delinquent, the Managing Agent shall send a second written notice ("Second Notice") of non-payment, amount past due, notice that interest and

late fees have accrued, notice of intent to file a lien and request for immediate payment.

- (c) After an installment of an annual assessment or other charges due to the Association becomes more than 90 days delinquent, the Managing Agent shall, if the balance due is \$500.00 or more, turn the account over to the Association’s attorney for collection. Upon receiving the delinquent account, the Association’s attorneys shall file a lien and send a letter to the delinquent Owner demanding immediate payment for past due assessments or other charges due. Upon further review, the Association’s attorney may file a lawsuit. If a judgment or decree is obtained, including without limitation a foreclosure action, such judgment or decree shall include reasonable attorney’s fees together with the cost of the action and any applicable interest and late fees.

9. Acceleration and Deceleration of Assessments. The Board reserves the right to accelerate and call due the entire unpaid annual assessment on any delinquent account. Such acceleration shall result in the entire unpaid annual assessment being due to the Association immediately. The Board also reserves the right to decelerate any accelerated assessment.

10. Collection Procedures/Time Frames. The following time frames shall be followed for use in the collection of monthly installments of the annual assessment and other charges.

Due Date (date payment due)	First day of the month due
Past Due Date (date payment is late if not received on or before that date)	20 days after due date
First Notice (notice that late charges and interest have accrued)	30 days after due date
Second Notice (notice that late charges and interest have accrued, notice of intent to file lien)	60 days after due date
Delinquent account turned over to Association’s attorney; Lien filed; Demand	90 days after due date (and balance is \$500.00 or more)

letter sent to Owner.	
-----------------------	--

The attorney is to consult with the Association as necessary to determine if payment has been arranged or what collection procedures are appropriate.

- 11. Certificate of Status of Assessment. The Association shall furnish to an Owner or such Owner's designee upon written request, first class postage prepaid, return receipt, to the Association's agent, a written statement setting forth the amount of unpaid assessments currently levied against such Owner's property for a \$50.00 fee. However, if the account has been turned over to the Association's attorney, such request may be handled through the attorney.
  
- 12. Bankruptcies and Foreclosures. Upon receipt of any notice of a bankruptcy filing by an Owner, or upon receipt of a notice of a foreclosure by any holder of an encumbrance against any unit within the Association, the Managing Agent shall notify the Association's attorney of the same and turn the account over to the Association's attorney, if appropriate.
  
- 13. Use of Certified Mail/Regular Mail. In the event the Association shall cause a collection or demand letter or notices to be sent to a delinquent Owner by regular mail, the Association may also cause, but shall not be required to send, an additional copy of that letter or notice by certified mail.
  
- 14. Referral of Delinquent Accounts to Attorneys. Upon referral to the Association's attorney, the attorney shall take all appropriate action to collect the accounts referred. After an account has been referred to an attorney, the account shall remain with the attorney until the account is settled, has a zero balance or is written off. The attorney, in consultation with the Manager, is authorized to take whatever action is necessary and determined to be in the best interests of the Association, including, but not limited to:
  - a. Filing of a suit against the delinquent Owner for a money judgment;
  - b. Instituting a judicial foreclosure action of the Association's lien;
  - c. Filing necessary claims, documents, and motions in bankruptcy court in order to protect the Association's interests; and
  - d. Filing a court action seeking appointment of a receiver.

All payment plans involving accounts referred to an attorney for collection shall be set up and monitored through the attorney.

Upon referral of any matter to the Association's attorney, the Association shall pay the attorney's usual and customary charges as well as any costs incurred by the attorney on the Association's behalf, promptly upon receipt of the monthly invoice from the attorney.

15. Appointment of a Receiver. The Association may seek the appointment of a receiver if an Owner becomes delinquent in the payment of assessments pursuant to the Declaration and Colorado law. A receiver is a disinterested person, appointed by the court who manages the rental of the property, collects the rent and disburses the rents according to the court's order. The purpose of a receivership for the Association is to obtain payment of current assessments, reduce past due assessments, and prevent the waste and deterioration of the property.

16. Rental Interception. The Association may, without court order, notify the tenant of any unit where the Owner is delinquent in the payment of assessments, pursuant to the Declaration and Colorado law, that rents shall be paid to the Association effective immediately and continue until such time as the Owner's account is current. Such notice shall be in writing to the tenant and the Owner. All funds received by the Association from the tenant shall be credited to the Owner's account as set forth herein.

16. Judicial Foreclosure. The Association may choose to foreclose on its lien in lieu of or in addition to suing an Owner for a money judgment. The purpose of foreclosing is to obtain payment of all assessments owing in situations where either a money judgment lawsuit has been or is likely to be unsuccessful or other circumstances favor such action.

17. Waivers. The Association is hereby authorized to extend the time for the filing of lawsuits and liens, or to otherwise modify the procedures contained herein, as the Association shall determine appropriate under the circumstances.

18. Communication with Owners. All communication with a delinquent Owner shall be handled through the Association's attorney once a matter has been referred to the attorney. Neither the Manager nor any member of the Board of Directors shall discuss the collection of the account directly with an Owner after it has been turned over to the Association's attorney unless the attorney is present or has consented to the contact.

20. Communication by Owners. Owners may communicate with the Association in any manner they choose including email, text, fax, phone, or in writing, when available. However, in doing so, the

Owner acknowledges that the Association and/or its agents may communicate via the same method unless otherwise advised.

19. Defenses. Failure of the Association to comply with any provision in this Policy shall not be deemed a defense to payment of assessment fees or other charges, late charges, return check charges, attorney fees and/or costs as described and imposed by this Policy.

22. Credit Report. In the event an Owner becomes delinquent in the payment of assessments pursuant to the Declaration and Colorado law, the Owner acknowledges and agrees that the Association may cause a credit report to be pulled via an agent, in order to facilitate the collection of unpaid assessments.

7. ADOPTION OF POLICIES, PROCEDURES, RULES, REGULATIONS, OR GUIDELINES.

A. Scope. The Board of Directors of the Association may, from time to time, adopt certain Policies as may be necessary to facilitate the efficient operation of the Association, including the clarification of ambiguous provisions in other documents, or as may be required by law. In order to encourage Owner participation in the development of such Policies and to insure that such Policies are necessary and properly organized, the Board shall follow the following procedures when adopting any Policy.

B. Drafting Procedure. The Board shall consider the following in drafting the Policy:

- (i) Whether the governing documents or Colorado law grants the Board the authority to adopt such a Policy;
- (ii) The need for such Policy based upon the scope and importance of the issue and whether the governing documents adequately address the issue; and
- (iii) The immediate and long-term impact and implications of the Policy.

C. Notice and Comment. A copy of the proposed Policy shall be provided to all Owners or posted on the Association's website, if any, and Owners shall be allowed a minimum of 30 days to provide comment and/or feedback on the proposed Policy.

D. Emergency. The Board may forego the notice and opportunity to comment in the event the Board determines in its sole discretion that providing notice and

opportunity to comment is not practical given the emergency nature of such Policy.

- A. Adoption Procedure. After the period for Owner comment expires, the Board may adopt any Policy. Upon adoption of a Policy, the Policy or notice of such Policy, including the effective date shall be provided to all Owners by any reasonable method as determined in the sole discretion of the Board, including but not limited to posting on the Association's website (if any) or mailing.
- B. Policy Book. The Board of Directors shall keep copies of any and all adopted Policies in a book designated as a Policy Book. The Board of Directors may further categorize Policies, Procedures, Rules and Regulations, Resolutions and Guidelines but shall not be required to do so.

## 8. Document Retention

### 1.1 Scope

This Document Retention and Destruction Policy applies to the Star Pass Homeowners Association, Inc. (hereinafter the "Association"), the Association Manager, and the Association's Board of Directors.

The documents maintained by the Association's legal counsel are not subject to this Document Retention and Destruction Policy.

### 1.2 Purpose

This Document Retention and Destruction Policy is created to establish guidelines for identifying, retaining, storing, protecting and disposing of the Association's Documents (the "Documents"). This Document Retention and Destruction Policy is necessary to ensure that the Association conducts itself in a cost-effective manner while also adhering to legal and business requirements.

### 1.3 Policy

- A. It is the Association's policy to maintain complete, accurate and high quality Documents. Documents are to be retained for the period of their immediate use unless longer retention is required for historical reference, contractual or legal requirements, or for other purposes as set forth in this Document Retention and Destruction Policy.
- B. Documents that are no longer required or have satisfied their recommended period of retention are to be destroyed in an appropriate manner.
- C. The Association Manager is responsible for ensuring that Documents within his or her area of assigned responsibility are identified, retained, stored, protected and subsequently

disposed of, in accordance with the guidelines set forth in this Document Retention and Destruction Policy.

#### 1.4 Compliance

This Document Retention and Destruction Policy is not intended to be all inclusive, and accordingly must be tailored to meet the specific needs of the Association. The retention periods set forth herein are guidelines based on the current retention periods set forth in federal, state, and local statutes and regulations (none of which explicitly address the Association), and industry custom and practice.

#### 1.5 Board Members

The Association does not require Board Members to maintain any Documents. Board Members in their discretion may dispose of Documents generated by the Association because the Association has maintained such Documents in the Official Files. However, if Board Members receive Documents relating to the Association, which were not generated by the Association, or not received through the Association, Board Members shall send the originals of such Documents to the Association Manager to be maintained in the Official Files. Documents created by Board members for their own use as a member of the Board of Directors, including but not limited to notes, drafts, emails, summaries, etc. are not Documents of the Association and should be destroyed by the Board Member once an Association Document is produced or within six months of creation, whichever is sooner, unless otherwise provided herein. E-mail discussions among Board members shall be copied to and saved by the Association's manager pursuant to this policy. No Board Member shall disclose or provide any Document to any owner outside of the Board of Directors. Directors shall direct Owners to make a formal request to the Association pursuant to its inspection of records policy.

#### 1.6 Annual Purge of Files

The Association Manager shall conduct an annual purge of files. The annual purge of files shall be completed within the first quarter of each calendar year.

#### 1.7 Destruction Procedure

All Documents to be purged or destroyed pursuant to this Document Retention and Destruction Policy shall be shredded, or permanently deleted electronically, if stored in an electronic format.

#### 1.8 Certification

Following the annual purge of files, the Association Manager shall complete a Certification Letter directed to the Association's Board of Directors stating that all Documents under his or her control conform to the retention guidelines. Each Board Member shall complete a Certification Letter annually stating that all documents created by him/her have been destroyed pursuant to Paragraph 1.5.

## 1.9 Miscellaneous

There may be an immediate destruction of copies of any Document, regardless of age, provided that an original is maintained in the Official Files of the Association.

## 1.10 Onset of Litigation

At such time as the Board or the Association has been served with a lawsuit, or if it is reasonably foreseeable that litigation may be imminent, all Documents potentially relevant to the dispute must be preserved notwithstanding anything in this policy to the contrary.

Therefore, at the direction of legal counsel the Association Manager will advise the Board Members, and any other person who may maintain Association Documents, of the facts relating to litigation. Thereafter, all Documents potentially relevant to the dispute shall be deemed "held" until such litigation is concluded and all appeal periods have expired. At the conclusion of the litigation the "hold" period will cease and the time periods provided in the Document Retention and Destruction Guidelines will recommence.

## SECTION 2 Definitions

### 2.1 Current

Current means the calendar year in which the Document was created, obtained or received.

### 2.2 Document

Document means any documentary material that is generated or received by the Association in connection with transacting its business, is related to the Association's legal obligations, and is retained for any period of time. The term "Document" includes, among others, writings, drawings, graphs, charts, photographs, tape, disc, audio recordings, microforms, and other electronic documents from which information can be obtained or translated such as electronic mail, voice mail, floppy disks, hard discs and CD ROM. The Documents, as defined in this policy, may encompass more records than those which are available for inspection by Owners pursuant to the Association's Inspection of Records Policy. Not all Documents may be records of the Association as that term is defined in the Inspection of Records Policy and Colorado law, and therefore may not be subject to inspection by Owners.

### 2.3 Association Manager

Association Manager means the Manager of the Association.

### 2.4 Official Files

"Official Files" means the files maintained by the Association Manager of the Association.

Legal documents and documents subject to the attorney-client privilege and the work product privilege maintained by the Association's legal counsel are not part of the "Official Files" of the Association.

## 2.5 Permanent

Permanent means that the retention period for that Document is permanent.

## 2.6 Termination

"Term + 4 years" means four years beyond the termination of the relationship, contract or coverage.
